9.	Tackling the Challenge of Antibiotic Resistance Rajesh Chawla, Aakanksha Chawla	45
10.	Bad Bugs, No Drugs: The Saga of Antibiotic Resistance Sandeep Puri, Arshdeep Singh	48
11.	Gene Therapy for Cure of HIV Infection S Bhagyabati Devi, T Jeetenkumar Singh, Ksh. Birendra Singh	53

SECTION 2

Cardiology

12.	Ethics and Protocols in Management of Cardiac Illness Asif Hasan, Muhammad Uwais Ashraf	59
13.	ECG in Non-cardiac Conditions M Chenniappan, Kader Sahib	62

xxxiv 14.	Practical Approach to the Patient with Palpitations MS Aditya, K Sarat Chandra	68
15.	Transcatheter Aortic Valve Implantation (TAVI or TAVR) G Sengottuvelu	74
16.	Practical Approach to a Person with Chest Pain Suresh V Sagarad, Swetha A Biradar, NS Javali, AB Patil	78
17.	Practical Approach to a Patient with ECG Changes Shirish MS Hiremath	84

SECTION 3

Respiratory

18.	Practical Approach to Breathlessness Alladi Mohan, D Arun kumar	93
19.	Spirometry: As Routine as Measuring Blood Pressure Geoff Chadwick	98
20.	Approach to a Patient with Intractable Cough T Geetha	100

SECTION 4

Neurology

21.	Practical Approach to a Person Who is Unconscious Nagarajan Venkataraman	107
22.	Influence of Gut Microbiota on the Brain Poorna J Visa, K Venkatraman, AV Srinivasan	112
23.	Clinical Approach to Tremor K Venkatraman, R Lakshminarasimhan, AV Srinivasan	118
24.	Approach to Frequent Falls in Elderly People AR Vijayakumar, VS Prasadh	126
25.	Practical Approach to Peripheral Neuropathy M Rajasekaran	130
26.	An Approach to Headache T Ravikumar, M Gowri Sankar	134
27.	Approach to a Patient with Hemiplegia and Monoplegia Sudhir Kumar, Subhash Kaul	141
28.	Approach to Giddiness Sudha Vidyasagar	147

SECTION 5

Nephrology

29.	An Approach to a Person with Proteinuria or Microalbuminuria Ravikeerthy M	153
30.	Early Identification of the Diabetic Nephropathy; Beyond Creatinine Vivek Pal Singh, S Avinash	156
31.	Approach to Hematuria PP Varma, T Mohanty	162

SECTION 6

Rheumatology

32.	Approach to the Patient with Polyarthritits Ved Chaturvedi, Molly M Thabah	169
33.	Practical Approach to a Person with Low Backache Pradeep Kumar Maheshwari, Anjana Pandey, Rosmy Jose	174

SECTION 7

Gastroenterology

34.	A Practical Approach to Loss of Appetite Dwijen Das, Tirthankar Roy	181
35.	Practical Approach to Blood Vomiting Jatinder K Mokta	187
36.	Indications, Contraindications & Long Term Care in Liver Transplantation Mohamed Rela	194
37.	A Practical Approach to a Person with Positive HBsAg Salimur Rahman	198
38.	Practical approach to Chronic Diarrhoea Sanjay Tandon	204

SECTION 8

Diabetes

39.	Sulfonylureas in the Management of Type II Diabetes Mellitus Amit Varma	211
40.	Pioglitazone in the Management of T2DM Anil Kumar Virmani	216
41.	Usefulness of Ambulatory Glucose Profile (AGP) in Diabetes Care K Chaithanya Murthy, B Ramya, E Vidya, RM Anjana, V Mohan	220
42.	When Should I Use Newer Insulins? Paturi Vishnupriya Rao	226
43.	DPP- 4 Inhibitors in the Management of Type 2 Diabetes Mellitus Balamurugan Ramanathan	231
44.	Preoperative Management of the Patient with Diabetes Sunil Gupta	238
45.	SGLT2- Inhibitors in the Management of Type 2 Diabetes Vinod Mittal	247
46.	In Hospital Management of Diabetes Mellitus Jothydev Kesavadev	252
47.	Practical Approach to a Patient whose First Time Random Blood Sugar is 208 mg/dl SV Madhu	257
48.	Practical Approach to Diabetic Foot Ulcer Yalamanchi Sadasiva Rao	262
49.	How to Start Statins in Diabetes R R Singh	265

SECTION 9

Hypertension

50.	Perioperative Management of Hypertension Giridhari Kar	273
51.	Pathophysiology of Renin, RAAS and CCB in Management of Hypertension Narsingh Verma, Anuj Maheshwari, Mayank Agrawal	279
52.	Clinical Approach to the Patient of Hypertension with Diabetes Mellitus Surendra Daga	284
53.	Current Standards of Management of Hypertension in Chronic Kidney Disease Vivekanand Jha	287

54.	Hypertension in India-The Way Forward A Muruganathan	293
55.	Management of Hypertension in Co-morbid Conditions Ketan K Mehta	299

SECTION 10

Endocrinology

56.	Suspecting and Managing an Adrenal patient Sameer Aggarwal	303
57.	Practical Approaches to a Person with Abnormal TSH Suresh Damodharan, Benzy Susan Joseph	307

SECTION 11

Haematology

58.	Approach To Leucocytosis Madhuchanda Kar, S Kartthik, Prantar Chakrabarti	319
59.	Practical Approach to Lymphadenopathy Niranjan Rathod	324
60.	ABC of CBC Pankhi Dutta	327
61.	A Practical Approach to Anaemia MB Agarwal	334
62.	An Approach to a Patient with Bleeding Disorder Nidhi Sharma, Sandhya Gulati, Sudhir Mehta, Shaurya Mehta	339

SECTION 12

Toxicology

63.	Management of Snake Bite - An Update Joseph K Joseph, Manoj P Jose, Jaideep Menon	347
64.	Unknown Poisoning Viny Rampal, Vinod Mitla, SS Jamwal	352

Miscellaneous

65.	Weight Loss – A Practical Approach SV Ramana Murty	361
66.	Sleep as Prescription Anil Bhoraskar	369
67.	Have Doctors Forgotten the Most Important Diagnostic Tool ? Colin Robertson	377
68.	Approach to Disorder of Sweating H Basavanagowdappa	378
69.	Practical Approach to Stress Related Disorders NK Singh, Vaibhav Agnihotri, Richa Manaswita	382
70.	Alternate Medicine and Yogic Practices in Indian Scenario Hatha Yoga Chandrasekhar Valupadas	388
71.	Medical Errors in Day-To-Day Practice Raveendra KR	397
72.	Practical Approach to Pedal Edema Kumar Natarajan	401
73.	Cord Blood Ashesh Bhattacharya, Meenakshi Bhattacharya	406
74.	Routine Use of Vitamins, Minerals, Probiotics & Anti-Oxidants Vijay Garg, Raman Parashar, Aadish Kumar Jain, AK Pancholia	409
75.	Chronomedicine: A Unique Concept to Manage Human Diseases Anuj Maheshwari, Narsingh Verma	415
76.	Holistic Learning in Medical Education; Status & Future Ahead Ashutosh Ojha, Varsha Mundley	419
