

Acknowledgements

It is my privilege to acknowledge the help which I received in plenty from all quarters where it was sought for. The present form of this Book is due to the untiring efforts of a large number of people some of them find mention while others may have been missed by oversight. However, I would like to emphasize that their help is duly acknowledged and appreciated.

Dr BK Sahay, President, Association of Physicians of India was kind enough to write the Foreword for this Volume. To compile this Book I have been provided with valuable guidance, support and constructive criticism by my team of Editorial Board. Dr Rajat Kumar has provided unstinted cooperation and support. I am indebted and thankful to all those who have responded to my request to contribute to this Book and be faculty for the CME Program. They have provided their inputs in the desired format within the stipulated time. Dr RK Singal and Dr AK Agarwal have provided useful logistic support. The help rendered by Dr Siddharth Shah, Dr BB Thakur, Dr Lekha Pathak, Dr RR Kasliwal, Dr Kamlesh Tewary, Dr Rajesh Upadhyay, Dr AP Misra and Dr Sandhya Kamath is duly acknowledged. Dr Shashank Joshi, Editor of JAPI and Dr AK Das, Dean Elect.

I am grateful to Dr JS Bajaj for his guidance and encouragement.

I wish to place on record the help rendered by Mrs. Pushap Lata for her secretarial assistance. Dr Rajindra Kumar, Ms Viniti Singh and Ms Chanika Verma also assisted me in this work. The help rendered by Mr MS Mudhar and Mr Bhatnagar is highly appreciated.

My wife Dr Rama Munjal, son Dr Akshay Munjal and daughter Jaya Munjal have provided moral support and shown great tolerance and forbearance at all times during the preparation of this Book.

The help rendered by some members of the Pharmaceutical Industry for the publication of this Volume is highly appreciated and duly acknowledged. This Book has taken its present shape due to the technical expertise and experience of the workers of Jaypee Brothers Medical Publishers (P) Ltd headed by Shree JP Vij. They have been more than accommodating and have tried to help on all fronts in the publication.
